

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 20, 1996

SUBJECT: **SB 2825 - HB 2786**

This bill, if enacted, will enable a person to obtain or renew a commercial driver license even if convicted of a "personal offense" not in the scope of the person's employment.

The fiscal impact of this bill is estimated to increase one-time state expenditures by \$105,000 for systems development cost to implement a different driver license status.

The fiscal impact is also estimated to jeopardize revenues from the Federal Highway Administration. According to the Department of Safety this bill would violate Federal Commercial Driver License Regulations and could potentially cause a loss of some Federal funding.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
